

Sunday (23.08.)	Monday (24.08.)	Tuesday (25.08.)	Wednesday (26.08.)	Thursday (27.08.)
	Invited Speaker session (25 + 5 min)  Topic 1 AI-driven enzyme engineering and reaction prediction	Invited Speaker session (25 + 5 min)  Topic 3 Enzyme discovery and functional metagenomics	Invited Speaker session (25 + 5 min)  Topic 5 Modular bioprocess engineering and automation	Invited Speaker session (25 + 5 min)  Topic 6 Synthetic biology and whole- cell biocatalysis
Coffee break				
	Topic 2 Advanced reaction cascades: Electro-, chemo- and photo-biocatalysis	Topic 4 Biocatalysis in non- conventional media	Topic 5 Modular bioprocess engineering and automation	Topic 7 Biocatalysis for circular bioeconomy and climate solutions
Oral presentations (Morning session) (15 + 5 min)				
	Lunch break			Closing remarks 13:00
Registration 15:30	Lightning talks (20 x 3 min) Poster sessions			
	Coffee break			
Opening Ceremony 17:00 – 18:45	Oral presentations (Afternoon session) (15 + 5 min)			
Welcome Reception 19:00 – 22:00	Invited Speakers Dinner	Departure 17:00 Congress Dinner including Award Ceremony End of trip 22:30
